

Our Mission Statement

We are a world-class company in our markets.

We are one group of companies.

Our Basic Principles	Our Values	Our Vision and Goals
<p>1. We are and will remain a financially and economically independent, family-owned enterprise:</p> <ul style="list-style-type: none">• We are committed to achieving the profit margin required to finance internally our research and investment needs.• In this way, we can continue our growth with the necessary profitability. <p>2. The interests of the Group as a whole always take top priority:</p> <ul style="list-style-type: none">• We loyally support decisions made by our Shareholders and the Holding Company.• We recognize that unified processes and standards are self-evident business necessities.	<p>1. Hirschvogel's caring culture of excellence embodies the following:</p> <ul style="list-style-type: none">• Performance and success are economically necessary and result in high motivation, which in turn leads to success.• We cultivate a work atmosphere which respects each individual and the environment.• We express our dedication to the company by fulfilling our tasks. <p>2. All employees are guided by the company values:</p> <ul style="list-style-type: none">• Teamwork: We can only succeed by working together with a shared sense of commitment and mutual appreciation.• Power to Integrate: We contribute to the Group's common goals and effectively integrate differences.• Ability to Develop: We develop ourselves and the business. <p>3. The management exemplifies the values that are mandatory for all employees.</p>	<p>1. We deliver sophisticated forged parts, components and systems at the highest quality to our customers worldwide.</p> <p>2. We actively meet shifting market and product requirements.</p> <p>3. We strive to develop an increasing number of products with unique selling points.</p>
